Using Wonderlic To Hire Employees

What Is Wonderlic?

Wonderlic is an, intelligence test used in our EffectiveHiring® process to assess applicants' job potential, training potential and problem-solving abilities for a range of occupations. To ensure all candidates have an equal opportunity an adverse impact study has been completed.

Why Should I Use It?

Wonderlic is part of EffectiveHiring's System which:

- Increases the likelihood of a good hire saving you time and a great deal of money
- Improves employee satisfaction that comes from working with other high-performing staff and decreases training times

How does it Work?

Wonderlic is a 12 minute on-line assessment. It is connected to our Applicant Tracking System automation or we can email a link directly to a candidate
